BOKU Kindergarten

The "*BOKU KINDERGARTEN*" (Association of daycare facilities BOKU, managed by parents), operates two **family groups** and a **nursery** at the BOKU-Campus at Türkenschanze.

The goal and purpose of the association is to take care of children of both students and employees at BOKU within the frame of the day to day business at the university.

Target groups: children from BOKU students and employees in the age range of one year up to entering primary school.
